## **Official Opening of the Jamaica Import/Export Inspection Centre (JIEIC)**

The official opening of the Jamaica Import/Export Inspection Centre (One Stop Shop) will take place tomorrow June 23, 2009.

Prime Minister, The Hon. Bruce Golding will be the special guest and will officially open the facility.

The JIEIC is an initiative of the Government of Jamaica to centralize all regulatory agencies that have overall responsibility for ensuring the wholesomeness of food entering the country. They comprise the Jamaica Bureau of Standards, Food Storage and Prevention of Infestation Division, Plant Quarantine/Produce Inspection Unit, Veterinary Services Division, Public Health Department, Pharmaceutical Division and the Pesticides Control Authority.

These regulators fall within the Ministry of Agriculture & Fisheries, Ministry of Health and Ministry of Industry, Investment & Commerce and work in conjunction with the Customs Department.

The operation will be facilitated in the former Berth 11 Warehouse.
